Dear Parents and Caregivers,

Another very busy week particularly for our senior students with further planned rehearsals for Southern Stars. I appreciate the support our students have received from families as we move closer to the performance date.

We are expecting a number of Surf Life Savers to visit our school tomorrow as part of the yearly Surf Safety program for students in years 2, 4 & 6. This has been an ongoing activity which the school has been involved in, and we are grateful for their assistance.

PSSA continues this Friday, as part of the school sport curriculum. A reminder that students playing soccer need long socks and shin pads for the activity. The school has a number of spare shin pads for use, however students may wish to purchase a cheap pair to take along.

Bookweek activities are planned for next week, so please keep an eye out for information. Mrs Smith is looking forward to welcoming school families to the library.

Tomorrow we have a number of students participating in University of NSW Mathematics Assessments. We wish them well.

I'd also like to thank Mrs Petersen for her relieving role as Principal during my recent absence. Her efforts were greatly appreciated by myself and staff.

Enjoy your week.

Regards

Wayne Thomas
Principal

Centre for Health Initiatives at the University of Wollongong

Research: Alcohol branded merchandise. Parents are needed to discuss their views.

The Centre for Health Initiatives (CHI) at the University of Wollongong is conducting research exploring different aspects of parents' awareness and opinions of alcohol

branded merchandise (eg clothing, toys, games etc). As part of the research, we would like to talk to parents (using a group discussion called a Focus Group) of children 5-18 years of age.

Typical questions will involve asking parents if they have seen various sorts of alcohol branded merchandise/where they have seen it/if they would buy it/if they have any concerns about it, etc.

Participating in this research is entirely voluntary and you will be provided with detailed information before you begin.

The focus groups will be held during August at the Innovation Campus of the University of Wollongong OR at an alternative venues (depending on where group members may be, eg: from one school community) and will take approximately 1 hour of your time. You will receive a \$20 gift voucher as a thank you for your participation. If you are interested in expressing your interest in participating, or in finding out more about this research please contact Kelly Andrews at CHI on 4221 5810 or kellym@uow.edu.au.

Thank you for considering this request.
