Nutrition Snippet

The simplest way

...to make a Christmas centerpiece.

Get creative these holidays with a fruit and veg inspired centerpiece for your Christmas feast!

The picture on the right uses layers of baby tomatoes, rosemary and cheese but you could use:

- Layers of thinly sliced green and red capsicum, with slices of carrots in between
- Baby tomatoes and basil
- Kiwi fruit, watermelon, rockmelon
- Use mixed berries: blueberries, strawberries, raspberries.

If you have fruit + veg on your table, you'll be surprised how quickly it will be eaten.
