### Wow...

What an unusual term this has been! Quite unlike any I know of in over twenty years in education. In fact, what unprecedented, tough, unique, trying, unparalleled, extraordinary and interesting 'times' we have all been through these past few months. As we end this term, from us to our community, thank you and congratulations. We have all had to work together in ways we could not have predicted. The way that our students have managed to transition back to school is a credit to themselves and to you. Let's hope Term Three is a little smoother and maybe even comes with a good dose of plain old 'boring'! Enjoy the school break.

### Entry and Exit Points

In readiness for next term please remind your children to enter and exit the school grounds using one of our gated entry ways rather than either of the driveway access points. Cars, delivery vehicles and the OoSH buses use these entries and they are unsafe for pedestrian use.

### Community Watch

As many of you are aware we have previously had incidences of trespassing and vandalism on our school grounds. Should you witness such incidences over the school break it would be very helpful for us if you could keep a list of dates, times and incidents that you observe. If you believe there is a serious breach occurring please call the police (don't approach those concerned), but otherwise just a record of the event would be great. Thank you for your assistance.

### PREMIERS READING CHALLENGE

Congratulations to those students who have completed the **PREMIERS READING CHALLENGE!** We still have two months to go, however if you finish early be sure to submit your book list online.

If you are having trouble accessing your account please let me know.

### OVERDUE BOOKS

If you have any overdue books at home please return them as soon as possible. I will be sending home a list of books that may be overdue. If you notice that they have already been returned please let me know.

Thank you kindly.

### Library Bags

Please make sure your child has a library bag when borrowing books.

Unfortunately, we have many books that become lost and damaged when they don't have a bag to go into.

The office has green velcro bags that fit our library books perfectly. You can purchase them for \$7. Alternatively, reusable shopping bags, pillow cases or even plastic bags work well too!

**Have a safe and happy holiday!**

## Fathering Project Tips

### This week's theme is WELLBEING

Wellbeing is the state of being comfortable, healthy, or happy. It's a combination of physical, mental, emotional and social health.

Here are some tips for supporting your family's wellbeing:

- Maintain 'normal' routines where possible.
- Use family meetings for wellbeing check-ins.
- Tune into your family's feelings.
- Stay connected with family and friends.
- Focus on the positives each day.
- Take care of your own wellbeing.

*If you or someone you know needs support call Lifeline on 13 11 14, or Beyond Blue on 1300 224 636. For children, Kids Helpline is available on 1800 551 800 or Youth Beyond Blue on 1300 224 636.*

## Dad Jokes

My roommate says that our house is haunted, but I've lived here for 300 years and never noticed anything unusual.
