## 2021 Student Enrolments Reminder

Should you be aware of any families in our local area that are planning to send their children to our school next year can you please pass on our details. Many families who are enrolling a child for the first time don't think they are able to do so until quite late in the year. However, the sooner the better for us to start working on how to best arrange our classing structure.

Similarly, if you are aware that your child currently enrolled here (apart from Year 6) will not be returning to our school in 2021 also inform our office.

## Merit Award System Clarification

Just in case any of our families are confused, this merit system is the new one that started just this year. So any awards from last year are not counted, but any from this year on will be able to carry over to coming years.

I apologise, I also had an incorrect section in the table last week, so please have a look at what is required to achieve a Gold Award, as it is now our highest level and harder to work towards than Bronze or Silver.

Bronze Award Certificate	5 Value Awards (may be duplicates) PLUS ONE BEHAVIOUR AWARD
Silver Award Certificate	5 Value Awards (may be duplicates) PLUS ONE BEHAVIOUR AWARD
<b>Gold Award Certificate and Gold Star Badge</b>	<b>10 Value Awards (may be duplicates) PLUS TWO BEHAVIOUR AWARD</b>

## Welcome Miss Petkovska

You may know her as Miss P, but either way, we'd like to welcome Miss Petkovska back to our school. She is usually here every Friday, however, as Ms Wyman needed to take some unexpected leave Miss Petkovska will be on 2/3W for the next five weeks. Ms Wyman will not be away that entire time but instead will be relieving in my position for two weeks while I am on leave for the last week of this term and the first week back.

## Updated Covid-19 Advice

As mentioned previously in the Newsletter, there has been further updated advice in regards to Covid-19 and schools. As a result students who are sent home, or kept home, from school with flu like symptoms are required to be tested for Covid-19. They may return to school when they receive a negative result (to be sighted by the school) and no longer have any symptoms.

If your child has been away please state clearly on their return note why they were away rather than just putting 'sick' or 'unwell'. A little more detail will save our office ringing you to ascertain the type of illness.

We still have a small number of parents who are entering the school grounds to pick up children from their classrooms. If you have to enter the school grounds for any reason you must go via the office as we need to keep a record of all who come into the school should it be required by the Health Department.

More details on the updated advice can be found at:

## Thank You P&C and Well Done SRC

The SRC raised \$63.10 with Five Cent Friday and the P&C generously donated the mufti money, \$225.50, to them as well. So a total of \$288.60 was raised last week to go towards tables, chairs and generally beautification of the area that will be left after the Hive is removed. Thank you SCR and P&C!

## Lockdown Drill

At some point this week we will be holding a lockdown drill as part of our emergency practices review. If you are at home during the school hours please don't be alarmed when you hear a different type of bell/alarm, it is only a drill.

## Last Word

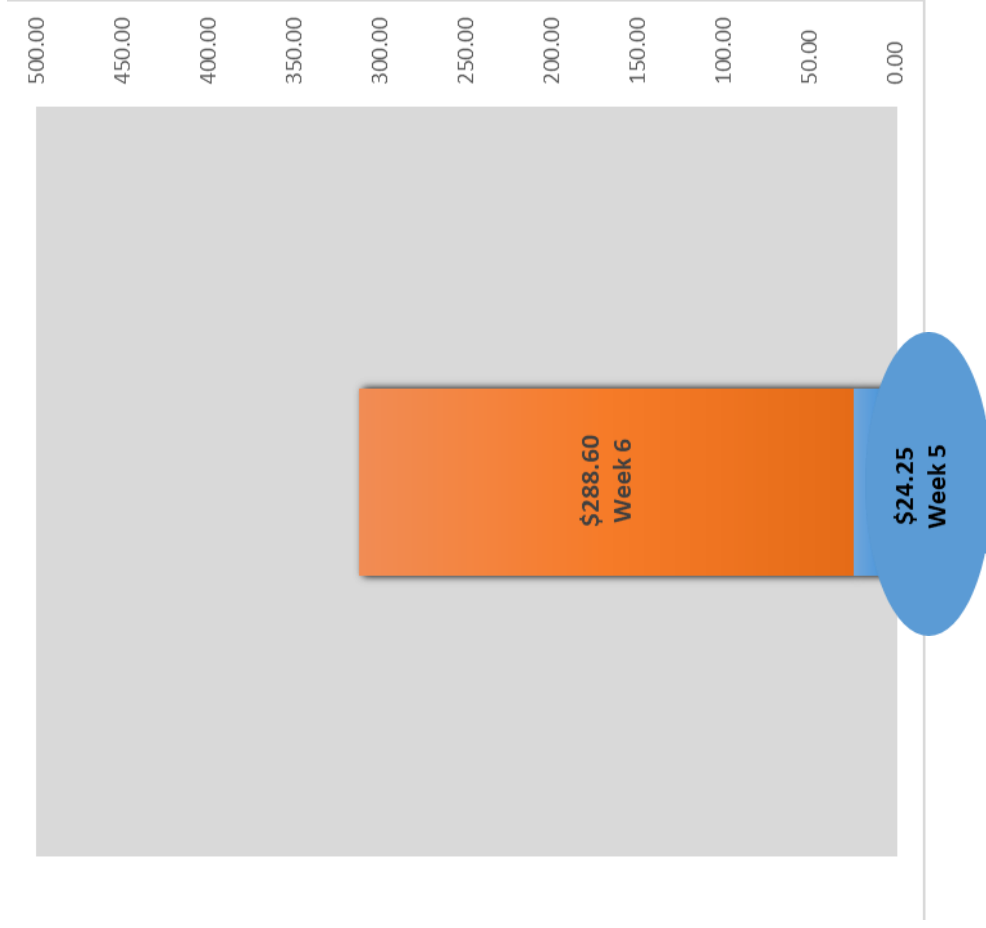

Have a good day!

## '5 cent Friday' Fundraising

Thank you PandC

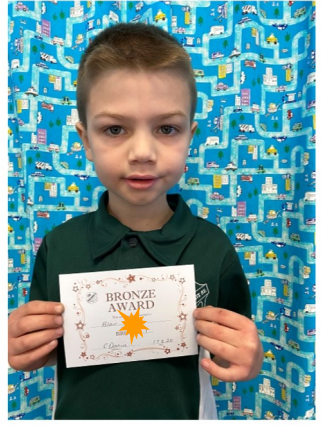

Thank you to the PandC for donating the multi day money to the SRC fund for new seats and tables for our playground. We are all very excited as this has helped us to get closer to our target of \$1000.00.

## Celebrating Dads this Father's Day through Best Dad Moments!

**#bestdadmoments** is something all students, dads and partners can do together!

We want all our students to draw their favourite **Best Dad Moment** and write a special message to give to dad this Father's Day. Kids can do this at school or at home with their dad. Pick a moment and bring it to life through drawing!

*Why not post the special drawing and message from your kids using the hashtag **#bestdadmoments** and share it with us and The Fathering Project!*

The Fathering Project has invited celebrities and sporting personalities to also record their Best Dad Moments and share them on The Fathering Project's **Celebrating Dads Gallery**. Go to [www.thefatheringproject.org](http://www.thefatheringproject.org) and check them out!

We wish all dads and father-figures at our school a very **Happy Father's Day** and we can't wait to see your special moments!
