### Scholastic Bookclub Orders

Cash or cheques will not be accepted as payment.  
All Bookclub purchases must be done online using the  
Scholastic Loop Payment Portal.

If you wish to purchase books for a gift and would like the option to pick up from the School Office, there is now an option to select this when you order online.

If you have any queries or require assistance, please contact the Bookclub Coordinator Rebecca Anderson on 0412469343.

## Random Acts of Kindness Week

This week is *Random Acts of Kindness Week*! I hope someone helps to brighten your day by an unexpected kindness. I did mention at assembly it might be a nice week to do something at home, like unpack the dishwasher without being asked to... let's see how that works out!

## Swimming Carnival

Mr Voysey has been busy getting names submitted for the District Carnival and organising notes. Most notes went home Friday with students heading to the next level. Some were a little confused as they thought they were the fastest in their age group, however, for all styles *other than freestyle*, there is a Junior section meaning all competitors aged 8, 9 and 10. At our carnival we also ran those races this way. This means the fastest 8 year old in backstroke may still not be the fastest junior and therefore will not go to District. Hope that helps with any questions you may be getting at home.

Have a look further in the Newsletter for some photos from our school Swimming Carnival. There were also some on Facebook for those who have not yet had a chance to check there.

## Exciting Staff News

We have returned this year to find out that two of our staff members are expecting babies later in the year.

A big congratulations to Mrs Tier who is expecting her third child and very exciting news for Miss Pearce who is expecting her first!

Congratulations to both ladies and their families.

## Older Siblings On Site

Thank you to all parents for waiting off site to pick up and drop off. Now we ask can you remind your older High School aged children (who are picking up younger siblings from school) to also wait at the appropriate exit rather than wander through the school grounds. As much as we love seeing returning students, at the moment we still need to be able to track everyone that comes on site. Thank you for your assistance.

## Students Who are Unwell

If your child has been sick or sent home sick from school, exhibiting any flu-like symptoms, please remember they have to have a negative Covid test result before returning. The results can be emailed to the school account as a photo, or if you are experiencing difficulty emailing, you can show the office staff your results on your phone.

## Emergency Contact Updates

Emergency contact forms are being sent home today to ensure we have the most up-to-date details. After you double check that all relevant names and numbers are correct, make any changes, then please return these forms back to the office so we can make any necessary changes in our system.

## Last Word

**There's no such thing  
as a small act of kindness.  
Every act creates a ripple  
with no logical end.**
