# Superstar Awards

Congratulations to the following

**Bronze 2** 

Superstar students:

Bryn F. and Stefen A.

# HAPPY BIRTHDAY TO YOU ...

Alexander P., Jai D., Leon M. and Aidan E.

# Congratulations

We had a double celebration on either end of the spectrum last week.

Mr Bill Field, who is our Network Director, came out to present Ms Wyman with a certificate to acknowledge 40 years of service with the Department of Education.

THO THE FIVE

This is a huge achievement and we all congratulate Ms Wyman, and thank her on behalf of the many students she has supported and encouraged over those years.

The second celebration was to congratulate Miss Bates for successfully completing her accreditation process that teachers are required to undertake during their first five years of teaching. There is much involved in this process so well done Miss Bate on this achievement.

It's amazing staff like these ladies that make our school such a special place.

There was cheering at assembly this morning when the Colour Fun Run was announced...THURSDAY 1 APRIL! Information will be coming home today in regards to registering, and there is a class prize for the class that has the most online student profiles by Sunday! Check further in the Newsletter for more details.

# Selected High School Testing Information

Year 6 students who have applied for Year 7 placement in a selective high school next year will take their placement test on Thursday 11 March, 9:00am to 1:30pm at Smiths Hill High School, Gipps St, Wollongong. Good luck to those applicants.

# <u>Canteen</u>

How exciting that our canteen is open again...as parents sigh with relief now they can have a day off from thinking about what's for lunch! Thank you very much to Erin and her band of volunteers for getting us back up and running.

Given the heightened focus on hygiene I have been checking the guidelines for canteens. It seems we should not have students in the canteen unless they are volunteering, and for them to do this they should be in Stage 3, have parent permission and must wear leather shoes (like they have to in high school when working in the kitchens). However, if you are working in the canteen your child is welcome to come to the door and wait for you, but unfortunately can not enter the canteen. As for pre-school age children, apparently this decision is to be made with the P&C and school, as duty of care for these children lay solely with the parent. I will now work with the P&C to try and clearly work out what our school policy will be so it can be shared. For now we will leave this aspect (pre-school aged children) as is, since we are very aware that it can make it difficult for our volunteers if they don't have child minding...and we really appreciate the time you give for our students.

# Last Word

Congratulations to Nate H. who attended the Central Wollongong PSSA **AFL** trials last week and was successful in gaining selection to attend the South Coast Regional AFL Trials. Good luck Nate.

We're holding the *School Fun Run's Crazy Colour Day* as a major fundraising event this year! The event will be held on 1 April. We are really hoping to raise \$9000, which will pay for improving the children's play areas.

Keep your eyes peeled for the sponsorship forms, which will be sent home with your child. Once you have the form, you should sign up for a Student Profile Page at <a href="schoolfunrun.com.au">schoolfunrun.com.au</a>. You'll be able to access online fundraising and students who raise \$10 or more online will receive a reward, and the more money you raise the better the reward, and the more you help the school!

We're looking for all students to participate, we're organising a fun last day of term. This year due to the COVID restrictions will not be able to have spectators. However we are after a very limited amount of volunteers to help with the event. If you are able to help please contact Wendy on 0424 866 654 to have your name put down on the list and we will contact you to let you know if you have been selected to help at the event, prior to the day.

If you have any questions about the Colour Fun Run Day please contact the School Fun Run Office on 1800 FUN RUN.

Thanks for supporting the school.

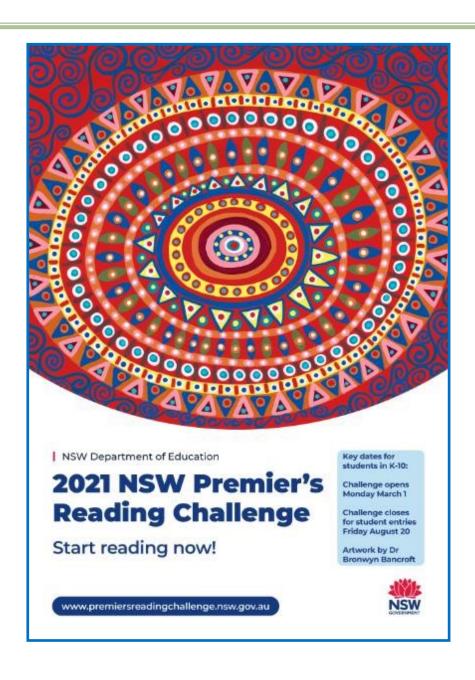

We are very excited to be participating in Clean Up Australia Day this year. All of our classes will be ensuring our beautiful school grounds are kept clean and free from rubbish. Our in school event will held on **Friday 5 March** during school hours.

If you have gardening gloves or a pair of disposable gloves at home, can you please send them with your child on the day. This is so that we can ensure all children will be able to participate in the fun safely.

Miss Petkovska

# FHPS CANTEEN

The canteen is open for lunch orders **Monday, Wednesday** and **Friday** 

Remember: Flexischool Fridays:
Online orders only

Wednesday 03/03	Wendy Coppola	
Friday 05/03	Belinda Monkman & Emma Evans	
Monday 08/03	Karen Polhill

# A program supporting mothers to raise happy, respectful and connected boys aged 6-8 years old

# What happens?

The program is run by a female and male facilitator over six weekly sessions, two hours in length. The first session is attended by the mothers only, while the five remaining have both mothers and their sons, sometimes working together and sometimes doing separate activities all aiming at providing information and tips on how to integrate information into the family's life.

The sessions explore the role of the mother and where parenting skills and ideas come from; emotion regulation; the importance of male role models in a son's life and what masculinity means today. As a group we focus on the developing of a strong, enduring and positive connections between mothers and sons and healthy relationships beyond the family sphere.

Mothers have been asking how they can connect, understand and support their son's development emotionally. How to parent a young boy as a mother and how to raise a respectful boy into a respectful man.

As there are no programs like this in Australia, we developed our own (called Mothers and Sons Program!). It is specifically designed for boys 6-8 years old, as research tells us this is the critical time to teach boys around emotional regulation and respectful behaviour.

Please not this program is not a therapeutic behavioural change program. It is information sharing and support. Limited child minding will be offered. 

# Why a Mothers and Sons program?

"After attending the program my son and I have been able to communicate better"

Mother of a 6yo son.

# TWILIGHT TRAINING BIKE WORKSHOPS 202

green-connect.com.au/visit/community

# THIS IS A COVID SAFE EVENT

To maintain social distancing, please choose an entry time; 9:30am, 10:00am & 10:30am arrival

Join us for an authentic, sensory farm experience and learn how we work with nature to grow chemical-free produce.

Our 60-minute family farm tours are fun and interactive for the whole family! We'll get hands-on as we explore our 11-acre permaculture farm, including the market gardens where we grow the majority of our produce. We'll also be on the look out for our free-range sheep, goats, pigs, and chickens, to offer a tasty snack.

Eight years ago, our vision was to turn a steep block of unused land in Warrawong, into a thriving farm. Today the farm produces fruit, vegetables, herbs, eggs, honey, and free-range meat using organic principles. As well as growing fair food, the farm creates jobs for young people and former refugees.

Last year, Green Connect grew and distributed 35,250kg of chemical free food and employed 144 former refugees and young people.
